

This technical drawing is an exploded view of a mechanical assembly, likely a washing machine drum. It shows the main drum body (9) at the center, surrounded by various components including the drum rim (10), drum flange (11), and drum support (12). The diagram includes numerous numbered parts (1-43) and their corresponding assembly points, indicated by dashed lines. Key components include the drum rim (10), drum flange (11), drum support (12), drum body (9), drum flange (16), drum support (13), drum flange (14), drum support (15), drum flange (17), drum support (18), drum flange (19), drum support (20), drum flange (21), drum support (22), drum flange (23), drum support (24), drum flange (25), drum support (26), drum flange (27), drum support (28), drum flange (29), drum support (30), drum flange (31), drum support (32), drum flange (33), drum support (34), drum flange (35), drum support (36), drum flange (37), drum support (38), drum flange (39), drum support (40), drum flange (41), drum support (42), drum flange (43), and drum support (44).
